ACTIVE MODELS

The Pylon Jasper Line is the first line of Pylon speakers available in a wireless configuration. Pylon Audio's Jasper Loudspeakers Line earned the WiSA HT Interoperability Certification by the end of February this year!. All brands with the WiSA certification use the same platform and technology. Products of different manufacturers can work together with this technology. Associated manufacturers are amongst others Bang & Olufsen, Dynaudio, Klipsch, Piega, Harmon Kardon and many others.

****Bij gelijktijdige aanschaf van een speakerset en de Stereo HUB kost de laatste 375 euro.**
